### NOTES TO ALL COMPETITORS, COACHES AND PARENTS:

1) The purpose of this event is to provide a fun-filled day of Judo with a wide variety of activities. Parents, coaches and more advanced players can train and test for certification in the areas of tournament officials and referees. The activities will also allow new players and experienced players the opportunity to work out with players from other clubs and have informal competition in a relatively low cost/low pressure setting. The players will be matched in groups, taking into account age, weight and experience. This training will substitute for the Monthly OJI Development Workout. Persons desiring to test (Referee or Table Workers) should review requirements on the OJI website prior to Super Saturday.
