Athlete WILL NOT be moved to another weight category if declared weight category is missed.

DRAW

*****DRAW IS MANDATORY*****

A representative for each athlete must attend the draw to ensure the athlete is in the correct category. Failure to confirm or make changes/corrections during the draw may result in the athlete **NOT COMPETING IN THESE CHAMPIONSHIPS**. All draws will be conducted using USA Judo approved software. See Rules and Method of Competition for all seeding information. With the exception of seeding, the draw will be random. Once the draw is complete, there will be no changes.

If two or more athletes fail to make weight or report to weigh in's in the same category, the division may be redrawn.

RULES AND METHOD OF COMPETITION

The Championships will be conducted in accordance with the 2018 Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the USA JUDO National Presidents Cup Championships.

Injury Rule: The following rule was approved by the Board of Directors of USA Judo on October 22, 1998: Decisions as to whether an athlete may continue if injured **while on the mat**, are to be resolved in accordance with IJF rules; such decisions **occurring off the mat** or not covered by the IJF rules, are to be made by the coach, the athlete, and the Team Doctor. If there is not a unanimous opinion among these three individuals, the athlete **may not** continue.

Competition Method for Regular and Novice Junior Categories:

The standard ("true") Double Elimination System with winner's and loser's brackets will be used. The winner of the loser's bracket will compete against the winner of the winner's bracket for 1st and 2nd place. The first one of these two contestants to have two (2) losses will be placed second; the other will be placed first. The loser of the loser's bracket will be placed 3rd. For categories of under five contestants, round robin will be the method of competition. Only one bronze medal will be awarded.

Competition Method for Seniors, Brown Belt, Veterans and Visually Impaired categories:

1. Categories having five (5) Competitors or less: Round Robin Pool. The order of finish is determined by number of wins, then, if tied, by total points. If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish. Points are given to the winner only and shall be based on the highest single score of the winner, after factoring out scores that cancel out each other. Point values are Ippon= 10, Waza-ari= 1, win by shido = 0. If a contestant withdraws from a division prior to beginning his or her final match, the results of all that person's previous matches shall be discarded. Osaekomi during golden score will be allowed to continue until time expires.
2. Categories having six (6) competitors or greater: Knockout System with Double Repechage (some-times referred to as Crossover Repechage). Players are divided into two pools, A and B which are further subdivided into A1, A2, B1, B2. Determination of 1st and 2nd place: The "Knockout" (single elimination) system is then used to produce two finalists, one from pool A, the other from pool B, who will compete for 1st and 2nd place. Determination of 3rd – 5th place: All

contestants who were defeated by the winners of pools A1, A2, B1, and B2 (semi-finalists) will take part in the repechage of their respective pools in the order in which they were defeated. i.e., for pool A1, the loser from Round 1 will meet the loser from Round 2; the winner of that match will meet the loser from Round 3, etc. The winner of repechage pool A1 will meet the winner of repechage pool A2; similarly for B1 and B2. The winner of the repechage pool A will meet the loser of the semi-final of knockout pool B. The winner of repechage pool B will meet the loser of the semi-final of knockout pool A. The winners (2) are placed 3rd, the losers (2) are placed 5th.

Seeding: Senior Shiai only: The top eight athletes on the USA Judo Senior National Roster, who are in attendance, will be seeded, provided that they are ranked at A through D levels as follows: A (or B) side: #1 and #8 in one half, #5 and #4 in the other half. B (or A) side: #2 and #7 in one half; and #6 and #3 in the other half. A higher seeded athlete will always receive a bye before a lower seeded athlete. Athletes having the same State (Group B) affiliation will be placed as far apart in the bracket as possible. Seeded athletes lose their State/Club affiliation for purposes of the draw, i.e. two athletes from the same state or club may meet in the first round if one is a seeded athlete.

Senior, Brown Belt and Novice Shiai Rules:

Armbars and chokes will be allowed for all novice categories
