6 METHOD OF COMPETITION; JUNIORS, SENIORS, VETERANS

JUNIORS, SENIORS, VETERANS:

1. Categories having five (5) Competitors or less: **Round Robin Pool** (every competitor competes against every other competitor). The order of finish is determined by number of wins, then, if tied, by total points (Ippon=10, Wazaari=7, Decision=1). If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish.
2. Categories having six (6) competitors or greater: **Modified Double Elimination**. Players are divided into two pools, A and B by means of a draw (described above.)
Determination of 1st and 2nd place: The "knockout" (single elimination) system is used to produce two finalists, who will compete for 1st & 2nd place.
Determination of 3rd - 5th place: All contestants who were defeated before the semifinals will compete in a consolation bracket (referred to as a loser's pool). Athletes will be placed in the loser's pool in a way that attempts to keep those who met in the "winners" pool from meeting again, although depending on the size of the division, this will not always be possible. The losers of the semifinals will fight the last two remaining players in the loser's pool. The winners of those two matches (2) will be placed 3rd; the losers (2) will be placed 5th.

NOTICE OF POSSIBLE TESTING FOR BANNED SUBSTANCES

For the IJF Junior and Senior Categories only, testing, in accordance with procedures of the U.S. Olympic Committee may be conducted by the United States Anti-Doping Agency (USADA) - the independent testing agency for Olympic sports in the United States. 10 JUNIOR CHAMPIONSHIP-SPECIFIC INFORMATION

THIS ANNOUNCEMENT applies to all Bantam, Intermediate, and Juvenile A athletes ONLY who are in the last year of eligibility in their current age bracket. It applies to ALL Junior point events that are held from July 1 to December 31 of each year: Any Junior athlete, who is in the last year of eligibility to compete in his/her current age bracket, may CHOOSE to enter USA Judo point events in the next age bracket. The athlete will need to choose ONE age bracket for each point event in the second half of each applicable year. The athlete who chooses to compete in the higher age bracket may begin to accumulate points at the new age beginning July 1 of each year, BUT he/she will not be able to use those points until January 1 of the year that actually ages them into the new division. The athlete will NOT be able to compete in his/her “old” age bracket and the “new” one at the same event.

Listed below are the age and weight categories of competition. Please note that each age Category is based solely on the year in which the contestant was born. The contestant’s actual age on the day of competition is irrelevant. For each category, a contestant must be born in the appropriate year as defined below.

All Weights listed below are in kilograms. For each weight division, the weight range will be over the next lower weight and up to and including the weight listed.

Example: Intermediate 2, 34 kg – over 31 kg and up to and including 34 kg.

The Tournament Director reserves the right to make changes in the highest and lowest weight classes in the Intermediate and Juvenile A divisions when it is in the best interest of the contestants to make these changes due to differences in weights.

All weights listed below are in Kilograms.
